

San Juan Islands

Salmon Recovery Planning Area

Land Ownership		Land Cover - Land Use	
	Federal Conservation Lands		Commercial & Residential Uses
	Other Federal Lands		Agricultural Uses
	State Conservation Lands		Disturbed Lands
	State Trust Forest Lands		Freshwater Wetlands
	County & Municipal Conservation Lands		Undeveloped Uplands
	Private Conservation Lands		
	Native American Tribal Lands		

Secondary Roads
 Rivers, Lakes, Streams and Estuaries

Land ownership data has been overlaid on land cover / land use data to provide a useful context to communicate relative protection. Land cover and land use classifications were derived from the USGS National Land Cover Database (1991). Land ownership was derived from the Washington Protected Lands Database (2003).
